

Specifications

LEGIS League hunter and jumper categories are not additional classes, but classes already offered by the competition. LEGIS League Medal Classes are separate classes. LEGIS League registered riders receive points based on results in those classes. Riders earn points to qualify for LEGIS League Finals held in different locations. For 2019 riders must earn at least 4 points to compete in any LEGIS League Final.

Points

Points will be awarded to sixth place in each category as follows: 7-5-4-3-2-1. At least three must compete. Points will be awarded on this scale regardless of the number of entries in the class. In the case of a combined class (i.e.: Children's/Adult Hunter), points will be awarded according to the ribbon won and applied to the rider's age group (Children's or Adult). Any horse shown by a LEGIS League member will accrue points. For 2018 riders must earn at least 4 points to compete in any LEGIS League Final.

Membership

Riders are encouraged to join the LEGIS League prior to competition, and may join at the competition for points to count. Once a member joins, points will be retroactive a maximum of 30 days. Riders must declare a region and although points may be earned in any region, each member may only show at one LEGIS League Final horse show. If a region is not specified, the region will be determined based on the address provided on the rider's membership form.
