

Specifications

LEGIS League hunter and jumper categories are not additional classes, but classes already offered by the competition. LEGIS League Medal Classes are separate classes. LEGIS League registered riders receive points based on results in those classes. Riders earn points to qualify for LEGIS League Finals held in different locations. For 2019 riders must earn at least 4 points to compete in any LEGIS League Final.

The course must include at least one double combination, and a minimum of three oxers at 1.0m. A Liverpool may be part of the course, but an option jump must also be provided. Start and finish markers will be used. Time allowed will be calculated at 350 meters per minute and may be timed manually or electronically. Rules regarding Time to Start (JP134.3 and .4) and Starting and Stopping (JP135.1) will apply.

Riders will be judged on style, technical merit, and execution of an efficient, time saving pace and track. Automatic deductions for knockdowns and exceeding the time allowed: 4 points for each knockdown and 1 point for each commenced second over the Time Allowed. Judges are asked to consider striding options and not penalize options used to achieve the best results possible for that horse and rider combination. Two cumulative refusals will result in elimination.

A maximum of four riders will be asked to work off over a jump off style course. No rider with major faults, even if in the top four, will be included in the work off. The work off course will be posted in advance. Riders are not expected to ride at speed, but to demonstrate an appropriate jump off track and style.

Standing or running martingales used in the conventional manner are acceptable. Blinkers, draw reins, restricted running martingales, gags, and hackamores are not allowed.

Points

Points will be awarded to sixth place in each category as follows: 7-5-4-3-2-1. At least three must compete. Points will be awarded on this scale regardless of the number of entries in the class. In the case of a combined class (i.e.: Children's/Adult Hunter), points will be awarded according to the ribbon won and applied to the rider's age group (Children's or Adult). Any horse shown by a LEGIS League member will accrue points. For 2018 riders must earn at least 4 points to compete in any LEGIS League Final.

Membership

Riders are encouraged to join the LEGIS League prior to competition, and may join at the competition for points to count. Once a member joins, points will be retroactive a maximum of 30 days. Riders must declare a region and although points may be earned in any region, each member may only show at one LEGIS League Final horse show. If a region is not specified, the region will be determined based on the address provided on the rider's membership form.
