

2019 LEGIS LEAGUE MEDAL FINALS SPECIFICATIONS

All riders must earn a minimum of four points to be qualified for the finals. All rider eligibility for the LEGIS League Medal Finals is the same as the qualifying classes.

In all finals the top ten will receive champion ribbons and awards. Champion and reserve will receive additional awards, and all participants will receive a gift bag. For medal finals with multiple rounds, the show will award ribbons through eighth for each round.

LEGIS League Mini Medal Final (2'0")

To be shown over a course of at least seven fences 2'0" in height; oxers are optional. No combinations. The final consists of two rounds and a work off of the top four. To be judged by at least one judge, and preferably two sitting together. The score from Round 1 will be averaged with the score from Round 2. Scores will not be announced for the work off, and the score from the work-off will be added to the averaged score to determine the winner. Any ties among the top four will be broken by work off score. For any ties below the top four, the second round will be used to break the tie. The winner of the final is not eligible to ride in the same qualifying class in the future.

LEGIS League Cornerstone Medal Final (2'6")

To be shown over a course of not less than eight fences 2'6" in height, and spreads may not exceed fence height. No combinations. The final will be run under the same structure as the LEGIS League Mini Medal Final. The winner of the final is not eligible to ride in the same qualifying class in the future.

Mousie Williams 12 and Under Medal (2'9")

Open to junior riders 12 years of age and under. To be shown over not less than eight fences 2'9" in height; spreads not to exceed fence height. No combinations. Top four will work-off. LEGIS League Children's & Adult Medal Final (3'0")

If there are fewer than five riders in either age category, the two finals may be combined at management's discretion. The winner of the final is not eligible to ride in the same qualifying class in the future.

LEGIS League Jumper Medal Final (3'3")

Open to junior and amateur riders. The class must be held in the jumper ring using jumper fences over a course similar to what would be used for Children's and Adult Amateur Jumpers. To be shown over a course of not less than eight obstacles at 3'3" (1.0m). The course must include at least one double combination, and a minimum of three oxers at 1.0m. Start and finish markers will be used. Time allowed will be calculated at 350 meters per minute and may be timed manually or electronically. JP134 (competition round) and JP135 (Timing) will apply.

Riders will be judged on equitation, style, technical merit, and execution of an efficient, time saving pace and track. Automatic deductions for knockdowns and exceeding the time allowed: 4 points for each knockdown and 1 point for each commenced second over the Time Allowed. Judges are asked to consider striding options and not penalize options used to achieve the best results possible for that horse and rider combination. Two cumulative refusals will result in elimination.

A maximum of four riders will be asked to work off over a jump off style course. No rider with major faults, even if in the top four, will be included in the work off. The work off course will be posted in advance. Riders are not expected to ride at speed, but to demonstrate an appropriate jump off track and style.

Equipment: Standing and running martingales used in the conventional manner are allowed. Draw reins and any other unconventional devices are prohibited. Snaffles, pelhams, and gags are allowed; unconventional bits may be penalized at the discretion of the judges.
