Open to junior and amateur riders. The class must be held in the jumper ring using jumper fences over a course similar to what would be used for Children's and Adult Amateur Jumpers. To be shown over a course of not less than eight obstacles at 3'3" (1.0m) with spreads to 3'9" (exception: triple bars, max spread 4'6"). The course must include at least one double combination, and a minimum of three oxers at 1.0m. A Liverpool may be part of the course, but an option jump must also be provided. Start and finish markers will be used. Time allowed will be calculated at 350 meters per minute and may be timed manually or electronically. Rules regarding Time to Start (JP134.3 and .4) and Starting and Stopping (JP135.1) will apply.

Riders will be judged on style, technical merit, and execution of an efficient, time saving pace and track. Automatic deductions for knockdowns and exceeding the time allowed: 4 points for each knockdown and 1 point for each commenced second over the Time Allowed. Judges are asked to consider striding options and not penalize options used to achieve the best results possible for that horse and rider combination. Two cumulative refusals will result in elimination.

A maximum of four riders will be asked to work off over a jump off style course. No rider with major faults, even if in the top four, will be included in the work off. The work off course will be posted in advance. Riders are not expected to ride at speed, but to demonstrate an appropriate jump off track and style.

Equipment: Running Martingales used in the conventional manner are legal in the over fences phase only. Standing martingales, German martingales, draw reins, or restricted martingales are prohibited in all phases. Legal bits include snaffles, pelhams, gags, kimberwicks, and two or three ring bits. Any other bits (including but not limited to hackamores, etc.) are prohibited.

Points

Points will be awarded to sixth place in each category as follows: 7-5-4-3-2-1. At least three must compete. Points will be awarded on this scale regardless of the number of entries in the class. In the case of a combined class (i.e.: Children's/Adult Medal), points will be awarded according to the ribbon won and applied to the rider's age group (Children's or Adult Medal). Any horse shown by a LEGIS League member will accrue points. Riders must earn at least four points to compete in any LEGIS League Final.

Membership

Riders are encouraged to join the LEGIS League prior to competition, and may join at the competition for points to count. Once a member joins, points will be retroactive a maximum of 30 days.
